

ABOUT US

We Durga Enterprises established in 1979, are proud to be one of the top Guar Gum Manufacturers of high-quality goods.

We deal with Organic Guar Gum products globally and have made a name for ourselves in the market as a trustworthy and original supplier of guar gum powder and that's because of our dedication to quality.

With years of industrial experience, we are experts in the manufacturing and distribution of Guar Gum Powder, a widely used ingredient all over the world. As the need for guar gum is increasing day by day, we have delivered Guar Gum Powder overseas and have gained well-known recognition from thousands of satisfied clients.

WHAT IS GUAR MEAL ROASTED KORMA?

Guar Meal Roasted Korma is produced through a specific roasting process applied to guar meal or guar korma. The term "korma" refers to the residual material left after guar gum extraction. The roasting process involves heating the guar korma to a certain temperature, which imparts specific characteristics to the product.
